## At the Hub of History

Washington DC is a **treasure chest** of great sights: the Lincoln Memorial, the Library of Congress, the Smithsonian museums, Capitol Hill and, of course, the White House. There's cobblestoned old Georgetown, **first-rate shopping** and the arts and crafts of Eastern Market.

With Dupont Circle Metro Station a step away from The Normandy Hotel, all this is on tap. But the immediate neighborhood, favored by diplomats, holds **world-class riches** too. Embassies, bookshops, cafés and **superb restaurants** cluster around the **historic hub** of Dupont Circle, as well as The Phillips Collection.

Venture south from Dupont Circle for **renowned cultural landmarks** such as Ford's Theatre, the Kennedy Center for the Performing Arts; and the Corcoran Gallery of Art for American art, modern art and photography.

Visit our sister hotels in Washington, The Dupont Circle Hotel and The Courtyard Washington DC/Dupont Circle - ideally located within minutes walk from The Normandy Hotel.
